FLOOR DEBATE

January 22, 2002 LB 859, 860

CLERK: 31 ayes, 0 nays, Mr. President, on the advancement of LB 859.

SPEAKER KRISTENSEN: The bill advances. We next move to LB 860.

CLERK: LB 860 is a bill introduced by Senator Coordsen, as the Chairperson of the Executive Board. (Read title.) Bill was introduced on January 9, referred directly to General File, Mr. President.

SPEAKER KRISTENSEN: Thank you, Mr. Clerk. Senator Coordsen, you're authorized to open.

SENATOR COORDSEN: Thank you, Mr. Speaker. Members of the body, LB 860, and I would ask you to follow with me as I read a very short paragraph. Laws 2001, LB 362 related to public funds and authorized investments in qualifying mutual financial institutions. One hundred sections were included in the bill. The phrase, and I quote, qualifying mutual financial institution, unquote, was added 181 times. It should have been put in 182 times and LB 860 is intended to correct this oversight. So I would move then for the advancement of LB 860 to Select File, E & R Initial. Thank you, Mr. President.

SPEAKER KRISTENSEN: Debate on advancement? Senator Chambers.

SENATOR CHAMBERS: Thank you, Mr. President. Senator Coordsen, who found this problem? Who discovered it?

SENATOR COORDSEN: I do not know. Bill Drafters bring me these and I think perhaps your little question with respect to cremation might be...might be a topic to follow for just a moment because, like a carcass of any kind, it has to be found before it can be cremated, so that the Revisor of Statutes, in addition to their other responsibilities, do make note of expired programs and other errors of commission or omission throughout the year. So whether they found it or whether it was brought to someone...to them by someone who found it, it is in fact an error in statute and one that we need correct this session.
